

# Rockwell Hardness Tester HR-150M

- Rockwell hardness tester with high accuracy, reliability and durability at an extremely low price
- Direct analog display of the Rockwell scales HRC, B, A
- Accuracy according to EN-ISO 6508 and ASTM E-18
- Mechanical test cycle without electricity

## Technical Specification

Hardness scales	HRA, HRB, HRC
Test force	60kg, 100kg, 150kg (10kg Vorkraft)
Test force selection	Adjusting knob
Hardness resolution	1 Rockwell
Test cycle	Mechanical
Accuracy	According to EN-ISO 6508 and ASTM E-18

## Standard delivery

- Adjustable feet
- Diamond indenter
- Ball indenter 1/16"
- Flat anvil Ø80mm
- V-anvil Ø60mm

## Optional accessory

- Certified test blocks
- Certified indenters
